## GearRatchet™

### GEAR RATCHET VORTEX™ SOCKET SYSTEM

The GearRatchet™ with hollow extension.

Vortex™ sockets integrate into the GearRatchet™ handle instead of attaching to a square drive. Integrating into the handle reduces overall height and increases the torque strength.

The GearRatchet™ adapters for standard sockets and drive tools feature a quick release button.

The Vortex™ thin wall design has the same torque strength as an ordinary socket.

Overall height is reduced by as much as 50%, width by 20%.

The GearRatchet™ System has a complete line of S.A.E. and Metric sockets and accessories.

**8921 - 21 Pc. Fractional / Metric Combination GearRatchet™ Set**  
Includes: 17 sockets (3/8", 7/16", 1/2", 9/16", 5/8", 11/16", 3/4", 10, 11, 12, 13, 14, 15, 16, 17, 18, & 19mm)  
2 - Drive Adapters (1/4" & 3/8")  
1 - 3" Hole-through Extension  
1 - GearRatchet™ Handle

**8911 - 11 Pc. Fractional GearRatchet™ Set**  
Includes: 7 Sockets (3/8", 7/16", 1/2", 9/16", 5/8", 11/16" & 3/4"), 2 - Drive Adapters (1/4" & 3/8")  
1 - 3" Hole-through Extension  
1 - GearRatchet™ Handle

**8914 - 14 Pc. Metric GearRatchet™ Set**  
Includes: 10 Sockets (10, 11, 12, 13, 14, 15, 16, 17, 18, & 19mm), 2 - Drive Adapters (1/4" & 3/8")  
1 - 3" Hole-through Extension  
1 - GearRatchet™ Handle

### 3679 - Harmonic Balancer Installer

Installs Drive Pulleys on Harmonic Balancers

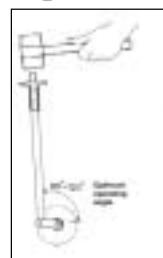

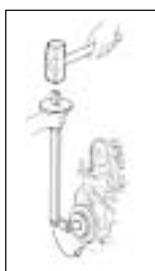

- Complete range of adapters
- Comes with thrust bearing for ease of use

Item No.	Size
367971	14mm x 1.5
367972	16mm x 2.0
367973	1/2 x 20
367974	3/4 x 16
367975	5/8 x 18
367976	7/16 x 20
367977	9/16 x 18
367978	12mm x 1.5
367980	Center Screw
367981	Bushing & Washer Kit

### 3701 - The Power Bar

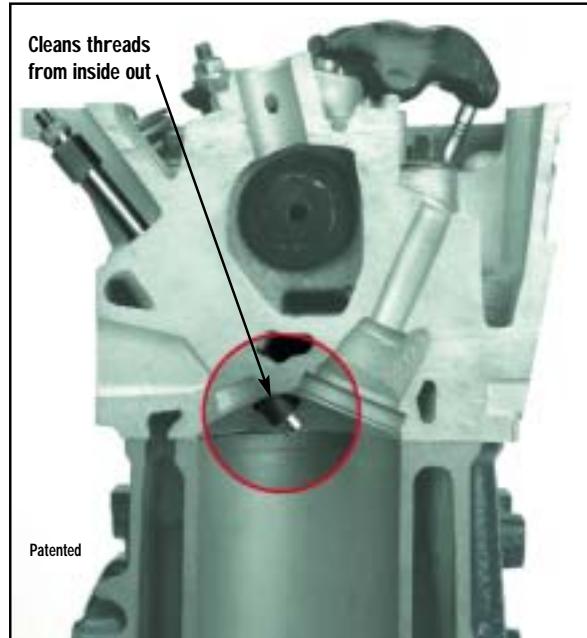

The new KD "Power Bar" goes where Impact Guns don't. This tool is specifically designed for removal of tough harmonic balancer holding nuts that are rusted or held with locking compounds. A breaker bar will not work since there is a need to hold the crankshaft in place while the nut is removed. The Power Bar solves that problem by delivering a quick impact at up to 600 ft/lbs of force at one time to break the fastener free. The same feature works in other hard to reach fasteners under cars, lug nuts or other pulley holder bolts.

## External Engine Tools

- Cleans and rethreads sparkplug ports from the inside out.
- Uses the good threads at the base of the port.
- Reduced dirt and metal from being driven into the cylinder head.
- Use light grease on the end to trap filings and keep tool easy to use.

**3688 - Back-Tap**

10 mm Internal Thread Chaser

**3689 - Back-Tap**

12 mm Internal Thread Chaser

**3690 - Back-Tap**

18 mm Spark Plug Rethread Tool for O2

**3691 - Back-Tap**

10 & 12 mm Special 2 pc Import vehicle set

**3545 - Back-Tap**

14 mm Spark Plug Rethread Tool

**3700 - Complete Cooling System and Cap Test Kit**

KD has combined the benefits of the 3582 Cooling System check kit with the new 3682 radiator cap test kit to create a complete offering. This cooling system check kit features the universal bladder for 100% coverage for USA and Import cars. Also included are radiator cap adapters in 8 sizes for virtually complete coverage for all radiator caps, foreign and domestic. The combined kit comes in a blow mold case and is an exceptional value for the service technician.

**3582 - Cooling System Check Kit**

- The Only Tool With Universal Bladder Adapter
- Check for leaks under pressure
- Patented "Bladder System" allows for universal fit to most USA and Import vehicles. Saves \$100's over other tools.
- Universal Adapter fits all Vehicles including those with reservoir tanks

**Replacement Part**

3582-71 Replacement Bladder

**3682 - Radiator Cap Testers**

Complete assortment of cap adapters for almost all US and import cars.

- Use in conjunction with 3582 Cooling System Check kit
- Unique double ended design allows 8 caps to be tested with only 4 adapters
- Allows cap relief pressure and seal condition to be tested

**Replacement Parts**

3682-71 Std GM, Ford, & Chrysler  
 3682-72 Japanese and VW/Audi  
 3682-73 Japanese and Audi late  
 3682-74 Late model Japanese

## Cooling Systems

### **3683 - Test Vac, Vacuum Pump**

The new KD "Test Vac" vacuum pump features the best in quality and construction. Made with a Polished cast aluminum body and all brass internal components, the new Test Vac is durable and resistant to shop corrosion. Kit comes with a complete offering of adapters for vacuum and brake bleeding tasks. Easy to read dial indicates vacuum levels. Kit comes in blow mold case.

## Brake & Wheel Tools

### **3678 - Wheel Weight Install Tool**

Avoids the pain and suffering of installing small...even large wheel weights

- Magnet holds small weights in position and keeps fingers from being pinched
- Special Tip molds clip into position
- Helps avoid damage to rims caused from glancing hammer blows

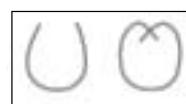

## General Purpose Tools

### **3703 - Hog Ring Plier Straight**

Used for upholstery work on most all Domestic and Foreign cars.

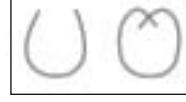

- Specially made to grip and mold Hog Rings for closure.
- Spring loaded to hold hog ring in jaws during use.
- Cushion Grip Handle.

### **3704 - Hog Ring Plier 45 Degree**

Used for upholstery work on most all Domestic and Foreign cars.

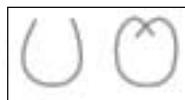

- 45 degree for added access
- Specially made to grip and mold Hog Rings for closure.
- Spring loaded to hold hog ring in jaws during use.
- Cushion Grip Handle.

**3702 - Hog Ring Plier 2 Pc Set**

Used for upholstery work on most all Domestic and Foreign cars.

- 45 Degree Hog Ring Plier
- Straight Hog Ring Plier
- For installation of "Hog Ring" fasteners
- Specially made to grip and mold Hog Rings for closure.
- Spring loaded to hold hog ring in jaws during use.
- Cushion Grip Handle.

## Outside Micrometers

### **3734 - 4pc Outside Micrometer Set**

#### Features:

- Industrial quality, Swiss style , with ratchet stop
- Enamel finish
- Carbide tipped - Ratchet Stop - Lock lever
- Each piece fitted in a box with instructions and zero adjusting key

#### Sizes:

- 0-1" (.0001" Grad.) 3730
- 1"-2" (.0001" Grad.) 3731
- 2"-3" (.0001" Grad.) 3732
- 3"-4" (.0001" Grad.) 3733

### **3735 - Brake Rotor Micrometer**

#### Features:

- Industrial quality, Swiss style, with ratchet stop
- 0.3-1.3" Carbide Pointed tip
- 3-1/2" Deep Throat Deep Throat
- Fitted in a storage box with instructions and zero adjusting key
- Fitted in a plastic box

## Digital - Outside Micrometers

### **3740 - Digital Outside Micrometer**

#### Features:

- 0-1", (0-25mm) Grad. .00005" , .001mm
- Carbide faces
- Auto power on/off
- Seven Key Functions
- Metric/Inch system interchange at any position
- Zero setting at any position
- Relative and absolute measurement interchange at any position.
- Display predetermination function
- Data holding function
- Fitted in a plastic box

## Measuring Tools

### 3745 - Electronic Digital Rotor Micrometer

#### Outside Micrometer:

##### Features:

- Manual power on/off
- 0-5", (0-125mm) Grad. .0005", .01mm
- Metric/Inch system interchange at any position
- Zero setting at any position
- With data output interface
- Measures thickness of inside grooves
- Fitted in a plastic box

### Slide Calipers

### 3750 - 6" Dial Micrometer – SAE

#### Features:

Stainless steel fully hardened frame, satin chrome finish

- Reading Single revolution dial graduated .001
- Four measurements, inside, outside, depth & step
- Covered rack - thumb roll - lock screw
- Measuring faces hardened, ground and lapped
- Fitted in a plastic box

### 3751 - Double Scale SAE & Metric Dial Caliper

#### Features:

Dial graduated with two scales, black scale inch, red scale metric

- Reading Single revolution dial graduated .001 (.02mm)
- 0-6" (0-150mm)
- Dial with two needles for direct inch or metric reading off the dial face
- Beam with double scale inch and metric for quick approximate reading
- Fitted in a plastic box

### 3752 - Carbon Fiber Composites Dial Caliper

#### Features:

- 6" capacity
- Range 1/01 Revolution

## Digital – Slide Calipers

### **3756 - 6" Digital Caliper with Large LCD window**

Features:

- LCD displays up to 5 digits
- Glass window over LCD is clearer and does not wear out
- Color coded Off, On/Zero and Inch/mm
- Stainless steel frame with hardened jaws, graduated scale and thumb roll
- 4 way measurement, inside, outside, depth & step
- Resolution / repeatability .0005" x 0.01mm
- Data output interface
- Fitted in a plastic box

### **3770 - Digital Brake Drum Gage 3 to 16.5"**

Same features as above digital caliper.

Special arms measure inside diameter of brake drums.

---

### **3754 - 4" Digital Caliper**

Features:

- Color coded Off, On/Zero and Inch/mm
- Glass window over LCD is clearer and does not wear out
- Stainless steel frame with hardened jaws, graduated scale
- 4 way measurement, inside, outside, depth & step
- Resolution / repeatability .0005" x 0.01mm
- Data output interface
- Fitted in a plastic box

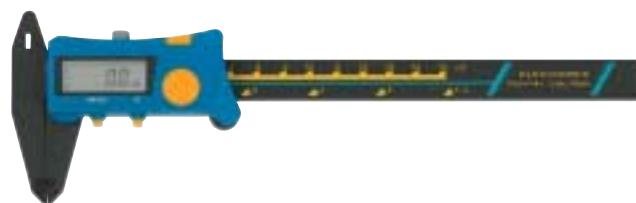

---

### **3757 - Carbon Fiber Composites Digital Caliper**

Features:

- Manual power on/off
- With data output interface
- .001", .1mm

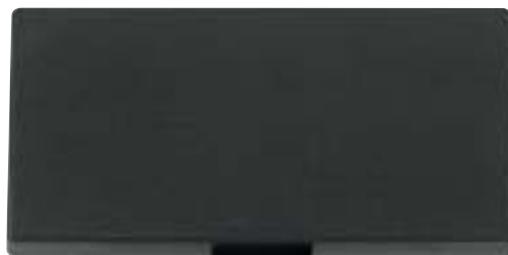

---

## Measuring Tool Kits

### **3753 - 3pc Machinist Tool Kit**

Features:

- Stainless steel fully hardened frame, satin chrome finish
- 6" Single revolution dial caliper graduated .001
- Measuring faces hardened, ground and lapped
- Outside Mic. with ratchet stop 0-1" (.0001 Grad)
- Carbide tipped - Ratchet Stop - Lock lever
- 6" stainless rule
- Fitted in a plastic box

## Measuring Tools

### **3758 - 2pc Digital Machinist Tool Kit**

#### Features:

- Glass window over LCD is clearer and does not wear out
- 6" (150mm) Caliper with Color coded Off, On/Zero and Inch/mm
- Resolution / repeatability .0005" x 0.01mm
- Data output interface
- Outside Mic. 0-1", (0-25mm) Grad. .00005", .001mm
- Carbide faces
- Auto power on/off, seven Key Functions
- Fitted in plastic case

### Rules and Pocket Calipers

#### **3773 - 6" Stainless Stiff Rule**

#### Features:

- Stainless steel stiff blade
- One side - 32nd and 64th
- One side – 1mm. .5mm

#### **2522 - 6" Pocket Stainless steel rule**

#### Features:

- Stainless steel flexible blade
- One side – 1/32One side – 1mm

#### **2527 - Pocket Caliper with Leather Pouch**

#### Features:

- 4" Stainless steel
- One side – 1/32One side – 1mm.

## Dial Indicator Sets

### **3763 - Rotor/Ball Joint Set with locking Pliers**

#### Features:

- Measure wear and runout on Brakes and tires
- 2-1/4 Dia. Dial face
- Range: 0- 1.3 Graduations: .001
- Special Locking plier accessory
- Flexible extension
- Case

### **3760 - Dial Indicator Set with small stand**

#### Features:

- English dial gauge Range: 0-1.3 Graduations: .001
- 2-1/4 Dia. face
- Universal dovetail clamp for Dial Test Indicators
- Grips flat or curved surfaces
- Swivel adapter to mount all AGD Dial Indicators with lug backs

### **3761 - Dial Indicator Set with on/off Stand**

#### Features:

- English dial gauge Range: 0-1.3 Graduations: .001
- .001 Centered V-magnet for strongest grip on round or flat surfaces
- Powerful 130 lbs pull
- Two magnetic mounting surfaces: bottom and back
- Swivel adapter to mount all AGD Dial Indicators with lug backs
- Universal dovetail clamp for Dial Test Indicators
- On / Off switch
- Center rod 1/2" diameter x 7" high

## Measuring Tools

### 3762 - Dial Indicator set with Digital Dial Indicator

#### Features:

- Zero setting at any position, Metric/Inch system
- Interchange at any position, Data output interface, Data holding function
- Fast tracing of minimum value or maximum value during measurements
- Auto power on/off
- Comes with deluxe on/off stand

### Dial Indicators Replacement Parts

#### 3766 - Dial Indicator

#### Features:

- 2-1/4 face
- 3/8 Dia. Shank
- English dial gauge Range: 0-1.3
- Graduations: .001

#### 3767 - Digital Dial Indicator

#### Features:

- Zero setting at any position
- Metric/Inch system
- Interchange at any position
- Data output interface
- Data holding function
- Fast tracing of minimum value or maximum value during measurements
- Auto power on/off

#### 3765 - On/Off Stand

#### Features:

- Powerful 130 lbs pull
- Centered V-magnet for strongest grip on round or flat surfaces
- Two magnetic mounting surfaces: bottom and back
- Swivel adapter to mount all AGD Dial Indicators with lug backs
- Universal dovetail clamp for Dial Test Indicators
- On / Off switch
- Center rod 1/2" diameter x 7" high

**3764 - Mini Stand**
**Features:**

- Grips flat or curved surfaces
- Swivel adapter to mount all AGD Dial Indicators with lug backs
- Universal dovetail clamp for Dial Test Indicators

**Depth Micrometers, and Bore Gauges**
**3746 - Depth Micrometer**
**Features:**

- 0-3" Range
- 4" wide base
- Satin Chrome finish
- Fitted case with rods

**3769 - Cylinder Bore Gauge**
**Features:**

- 0-6" Range
- Satin Chrome finish
- Fitted case with rods

**3771 - 6pc Telescoping Gauge Set**
**Features:**

Measure slot or recess from 5/16" - 6"

- Plunger expands in hole to be measured
- Knurl locks the setting for sizing with micrometer or caliper
- Satin chrome finish
- In plastic folding pouch

## Service Kits

### Service Kits

*The Tools to Make Tough Jobs Easy!*

**We've Got the Tools to Make Tough Jobs Easy!**  
**Sold as kits or can be used for loaner tool programs.**

#### Each Kit comes complete:

- Most tools needed for any projects that are conveniently stored in a fitted storage case. No loose parts to get lost. You know you have what you need.
- Work instructions are available with each kit to help you understand safe proper tool use.
- Instructions are also available online at : [www.kd-tools.com](http://www.kd-tools.com)
- All instructions are also available in Spanish.
- In addition to kit instructions, your Auto Parts Store will provide a check list of other tools if needed to assist in proper safe repair.
- Always wear proper eye protection when working with tools

#### Ask your counter person to get started!

Making tough jobs easy is even easier with the New Service Kit program.

These kits are designed to provide all the tools required for today and yesterdays most popular repair jobs. With the new loaner program, you can purchase your repair parts and get the tools free to do the job right. Simply purchase the parts you need and put down a deposit on the tool kit that is right for you.

#### Try-it...buy It option

If you like the tool...keep it for the next job, your deposit is the purchase price, It's that easy.

#### 62323 - Brake Service Kit

Drum brake spring pliers, Disc brake piston tools, Pad separator, Hex & Torx sockets.

#### 62342 - Pulley Puller Service Kit

This special kit services a wide range of GM, Ford & Chrysler water pump, Power Steering and alternator pumps with pulleys that are pressed into place.

#### 62326 - Suspension Service Kit

Ball Joint and Tie rod separators. Pitman arm pullers. Tie rod adjusting tool.

#### 62325 - Spindle Nut Service Kit

Four Wheel drive sizes for Ford, Chevy, GMC, Dodge trucks and others.

#### 62324 - Axle Nut Service Kit

Kit contains most popular spindle nut sizes 30,32,34,36mm.

**62337 - Double Flaring Service Kit**

Creates double flare on brake lines and other applications.

**62327 - Piston/Engine Service Kit**

Piston ring and cylinder service, includes compression tester.

**62330 - Serpentine Belt Service Kit**

Contains a full range of adapters to reach and release tension arm to remove and install serpentine belts.

**62333 - Exhaust Service Kit**

Tools to remove, cut and shape exhaust and tail pipes.

**62334 - Primer Service Kit**

Adapters to manually move the oil pump to disperse oil prior.

## Service Kits

---

### 62339 - 5 Ton Reversible Puller Service Kit

5 ton pullers offer 2 or 3 jaw options with reversible feature for internal or external pulling requirements.

### 62340 - 7 Ton Reversible Puller Service Kit

7 ton pullers offer 2 or 3 jaw options with reversible feature for internal or external pulling requirements.

### 62328 - MacPherson Strut Compressor Service Kit

Needed for removal of springs and shock absorbers.

### 62336 - Ball Joint and U Joint Service Kit

Kit includes all tools needed for u joint/ball joint service on cars and light trucks. Can be used in conjunction with Kit 62326 if needed.

### 62341 - Slide Hammer Service Kit

Includes 5 lb slide hammer for easy removal of wheel hubs and other applications where the added force is needed. Includes reversible 2/3 jaw puller, Hub pullers.

### 62343 - Micrometer Torque Wrench Service Kit

Torque uses 1/2 drive for torque ranges up to 250 ft/lbs. Audible click when proper torque is reached.

**62329 - Coil Spring Compressor Service Kit**

For wire springs with Diameter of 5-5/8 or less.

**62331 - Fan Clutch Service Kit**

Includes Universal holding tool to retain fan clutch while removing hub nut.

**62332 - Harmonic Balancer Service Kit**

Puller removes balancers, pulleys, and gears with tapped holes. A floating swivel prevents damage to the shaft end. Four slots in the yoke allow for 2- or 3-hole applications. Tool bolts to balancer with center screw on the end of the crankshaft. Tighten while tapping on the screw head to remove balancer. Puller includes 3/8-24 UNF, 5/16-18 UNC, 3/8-16 UNC and 10mm x 1.5 screws for most American and imported cars.

**62338 - Steering Wheel Puller Service Kit**

Kit includes Lock Plate remover for GM, Ford vehicles and steering wheel puller for most cars with pressed on and bolted steering wheels.

**62335 - Quick Disconnect Service Kit**

Includes coupling tools to disconnect both Fuel line and Air conditioning lines with quick disconnects. Special sizes for easy access.

## KD Hand Tool Sets

### 91601 - 82 Pc Mechanics Hand Tool Set

#### 1/4" DRIVE

- (10) 6 Point SAE Skts (5/32" - 1/2")
- (10) 6 Point Met Skts (4mm - 13mm)
- (1) Round Head Ratchet
- (1) 3" Extension

#### OTHER TOOLS

- 9 pc Met Hex Key Set
- 11 pc SAE Hex Key Set
- 9 pc Met Long Arm Hex Key Set
- 1 pc SAE Long Arm Hex Key Set

#### 3/8" DRIVE

- (8) 12 Point SAE Skts (5/16" - 3/4")
- (10) 12 Point Met Skts (10mm - 19 mm)
- (1) Round Head Ratchet
- (1) 3" Extension

### 91602 - 113 Pc Mechanics Hand Tool Set

#### 1/4" DRIVE

- (10) 6 Point SAE Skts (5/32" - 1/2")
- (10) 6 Point Met Skts (4 - 13mm)
- (8) 6 Point Deep SAE Skts (3/16" - 7/16")
- (7) 6 Point Deep Met Skts (4 - 10mm)
- (1) Round Head Ratchet
- (1) 3" Extension

#### OTHER TOOLS

- 9 pc Met Hex Key Set
- 11 pc SAE Hex Key Set
- 9 pc Met Long Arm Hex Key Set
- 11 pc SAE Long Arm Hex Key Set

#### 3/8" DRIVE

- (7) 6 Point SAE Skts (3/8" - 3/4")
- (7) 6 Point Deep SAE Skts (3/8" - 3/4")
- (10) 6 Point Met Skts (10 - 19mm)
- (10) 6 Point Deep Met Skts (10 - 19mm)
- (1) Round Head Ratchet
- (1) 3" Extension

### 91603 - 138 Pc Mechanics Hand Tool Set
